NGA Glazing Executives Forum

NGA Announces Sapa as Glazing Executives Forum Silver Sponsor

NGA is pleased to announce Sapa as a Silver Sponsor for the 11th Annual Glazing Executives Forum, taking place Wednesday, Oct. 19, 2016, in conjunction with GlassBuild America: The Glass, Window & Door Expo.

[Sapa](#) is the world's largest aluminum extrusion company and leader in extruded aluminum solutions. With over 100 locations around the globe, Sapa is working to uncover the true potential of aluminum resources--extruding shapes and creating solutions to conquer manufacturing challenges for many industries. Resources like Sapa Technology, the advanced R&D group, and Sapa's North American Technical Center support customers with world class engineering, metallurgy, product design, and fabrication expertise.

"We are pleased to welcome back NGA supplier member company Sapa as a sponsor of this year's Glazing Executives Forum," said Michele Nosko, NGA's director of membership and marketing. "Their support illustrates the Forum's importance as an education and networking resource, and community-builder, for our members."

The Glazing Executives Forum, presented by the NGA for owners, presidents, CEOs and senior managers in the North American glazing and architectural glass industry, is a day-long event providing industry professionals a unique venue for building enduring relationships and discussing common challenges. The forum features dynamic and informative speakers, peer-to-peer sharing and updates on timely industry topics.

Registration for GlassBuild America and the Glazing Executives Forum is open at: <http://www.glassbuildamerica.com/register.html>.

ABOUT GLASSBUILD AMERICA

Now in its 14th year, GlassBuild America: The Glass, Window & Door Expo is the gathering place for the entire glass, window and door industries. Presented by the National Glass Association and the Window & Door Dealers Alliance along with show co-sponsors, the American Architectural Manufacturers Association, the Glass Association of North America and the Insulating Glass Manufacturers Alliance, and in conjunction with industry's leading publications – Glass Magazine and Window & Door – GlassBuild America is a comprehensive and united event. For more information, visit www.GlassBuildAmerica.com.

In 2016, GlassBuild America is being held in October because of a date change by our marketing partner show, glasstec in Dusseldorf, Germany. glasstec, the largest glass industry trade fair in the world, was bumped out of its usual October timeframe into the September timeframe by an even larger plastics industry trade fair. This meant GlassBuild America had no choice but to shift to October for our 2016 event.

ABOUT NGA\WDDA

Founded in 1948, the National Glass Association (NGA), www.glass.org, is the largest trade association serving the architectural glass and metals industry, and represents the interests of glazing contractors, glass retailers, glass fabricators, primary glass manufacturers and architects. Its sister organization, the Window & Door Dealers Alliance (WDDA), www.wddalliance.org, represents the interests of retail, wholesale and installing dealers of new and replacement windows, doors, skylights and related building products. The NGA\WDDA provides education and training programs and services for its member companies and keeps them informed through the [Glass Magazine](#) and [Window & Door](#) family of print and electronic publications. The NGA\WDDA also produces the industry's largest annual trade show in the Americas, [GlassBuild America](#), and hosts the [Glazing Executives Forum](#) and [Window & Door Dealer Days](#), bringing together thousands of industry professionals to help them build more profitable businesses.
